Messages from the committee

Len Sumner - (Training Officer)

New Training Team for 2007

Some changes to the training team have happened this year, the team now consists of the following very friendly and helpful people

Jane Mowatt - Theory co-ordinator

Amanda Radley - Open Water co-ordinator

Simon Cook - Pool co-ordinator

Len Sumner - Training Officer

If you have any training related questions, please feel free to ask and we'll do our best to help.

New Course

New Ocean Diver course has just started with 5 students, four of whom are completely new to diving and one (Eunice) has crossed over from the dark side!

Please join me in welcoming them to the club, they are:

- Eunice Kendall who lots of us met at the Christmas party
- Diane Lichfield
- Ian Price
- John Young
- Tamara Pearce

So if you spot some new faces down at the pool please introduce yourself and make them feel at home.

Training still remains one of the main sources of income for the club, so if you know anybody who is interested in either a try dive or the full blown course, please give them my contact details (Len.Sumner@maxima.co.uk).

If you think you can put up a HWSAC training poster at work, again, please let me know and I'll send you the latest one.

If you have recently gone through the Ocean Diver course, but need to complete some missed theory lessons (especially ST2), please let Jane know which lessons you have missed and she will send you the dates for the

missed lectures on the new course.

Up coming events

- Instructor meeting - to be arranged in the next couple of weeks, probably at the Squirrel on a Tuesday night. If you are an instructor, assistant, want to assist in the future, please come along. We want to make the training as save as possible for the coming season and need everybody to help.
- April 8th, training at Portland. At the moment we are struggling to get a NCI to manage the event (it being Easter and all that), so if you can help, please let Amanda know
- Once the current Life Saver course is out of the way (end of April) we will organise a couple of sessions at the pool to go through
 - o How to run a try dive

What is involved in assisting at the pool

If you want to help, please come along to these session.

May 9th, evening training sessions being run every other week at Wraysbury

Congratulations & Thanks

- Paul Coxon has just passed his Theory Instructor Exam (TIE) and is about to do the Open Water Instructor Course (OWIC).

- Jane Mowatt, Amanda Radley and Rob Taylor are about to do the Instructor Foundation Course (IFC) in London - enjoy.

Thanks to Paul, Jane, Amanda and Rob for going down the instructor training path and if any of you are interested in doing the same, please have a chat to me, Simon Fennell or Gary Howard

That's all for now, need to stop before you all get bored.
