## Club News

### **Pre- Qualified divers joining the British Sub-Aqua Club**

The British Sub-Aqua Club allows HWSAC to welcome new members who have undertaken diver training by recognised organisations, whether recreational, commercial or military. Divers can join a HWSAC and enjoy diving with our branch within the recommendations of their existing qualification and BSAC Safe Diving Practices (whichever is the more conservative). For further information please contact Len Sumner, Simon Fennell or Gary Howard

### **Training Sessions**

HWSAC open water training sessions have now began. The training dates are most Wednesday evenings at Wraysbury and once a month in Portland. For more information and to offer your assistance please contact Amanda Radley and Len Sumner.

## *Messages from the committee*

### **Gary Howard - (Chairman)**

Please remember that from now on to use the pool on a club night you **MUST** sign in first. The Pool Marshall will have the signing in book.

## **Len Sumner—(Training Officer)**

We are thinking about starting the next Ocean Diver course in July but at the moment we only have a couple of people who have shown any interest, hence we need some more to make it worth while doing.

Do you have any friends, relatives, work colleagues etc who might be interested in doing a try dive and subsequently might want to progress onto the Ocean Diver course. Please chase them up and if you need any additional info / posters to help, then let me know and I will send them to you.

I also want to run a couple of sessions for people who want to assist at the pool and / or do pool try dives.

Please let me know if you would be interested and I'll arrange them after the current course has finished and before the next one begins. This is open to everybody in the club, regardless of grade because we always need people to help out and it is a very good way of keeping your skills upto date

Please let me know if you want to

- (a) - assist
- (b) - do a try dive
- (c) - do both

Cheers - Len
